Sheer filth, for the readers, from the readers...

APRIL SHOWERED!

I've been fucking April for a couple months now, and feel like I'm addicted to sucking her pussy. She keeps it immaculately shaved so it's like stroking pink velvet. Well, it is until she starts juicing up – I'll see the wetness well up in her slit, then I'll start lapping at it, flicking her clit.

By the time I part her plump pink lips, her bud will be rock hard – and if I place my tongue-tip up against it, I can actually feel it throbbing. That's when it's time to get my fingers in her twat, rubbing the tips of them over her sensitive spots as I'm sucking on that stiff clit.

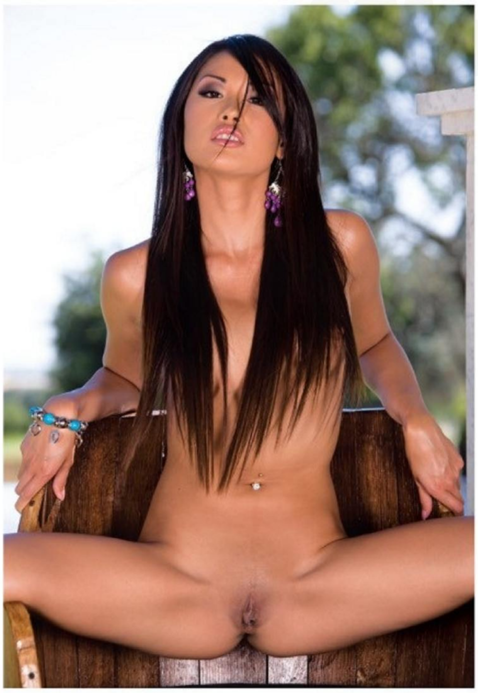
When she cums it's as much of a treat for me as for her – I'll clamp my mouth over her hole and let the creamy, foaming wetness pour over my tongue and down my throat. I don't know if she actually squirts, but her cunt's so tight it feels like she's shooting her cum out anyway.

So I was telling Jack, my on-off boyfriend, exactly who was keeping me off of his dick some nights. All my talk of April's fanny got him horny – maybe even a little obsessed by her. He didn't want to take my word for just how tight and juicy it is – he needed to feel it for himself, wrapped around his tool. April's mostly a lesbian but she'll turn straight for "the right cock." I didn't realize there was a wrong type, but I guess I'm not so picky!

She certainly gave Jack a pretty close inspection, holding his dick right up to her face as she copped a feel, seeing just how hard she could get it, then squeezing an extra stretch out of it by sucking on his helmet. I could see the veins bulge out of his shaft, see her shudder as he tested how tight she was with two fingers, every nerve twitching on my own body just from watching them.

I'd got new sex toys, in case Jack's dick couldn't satisfy us both, but they were just left lying by the bed. My hands weren't anywhere near my cunt but I could feel the throb in it just from watching the fuck show. They were sixty-nining now, April spread out over him, pussy mashing in his face as she gobbled him. What I could see of his expression and the juices smearing everywhere showed me he appreciated her pussy as much as I did.

Now I crept down to April's head, kissed



her around his cock, sucked on him for just a couple of seconds. Then I moved down to suck on his balls while she got back to work on his dick. He lasted a couple more minutes, even made her cum before I saw the jizz fountain out the sides of her mouth. She let it run back down his shaft, and then the two of us licked it off of him, stringing out his climax.

With his dick off limits for a while, we ate each other, April on top again, my fingers reaming her arsehole as I sucked on her clit. Just seeing her pussy pulse and quiver as the juices flowed out, and feeling the suction of her mouth on my cunt got me so hot.

When Jack was up and ready to go again, he got in behind April. I didn't feel left out – tonight was all about them having fun. She was keeping my cunt happy with her mouth so I just let him take over, then lay back and enjoyed the view of him easing his prick into her tight pussy, juices trickling down her inner thighs for me to lick.

He fucked her just slowly enough so she could keep eating me and he could relish every second he was inside of her pussy. I grabbed his balls, played them against her soft shaved lips, and then I started to finger her clit, knowing that, in less than a minute, she'd be cumming hard around his dick.

She moaned, her lips tickling my fanny as she tightened up, and soon he was groaning too as he shot his load. He sprayed it deep inside her but I got my share, as it ran out into my waiting mouth. Then she was sitting on my face again, cumming again as I felt an orgasm rip through her body.

April says Jack was, "Okay for a bloke," – high praise from her! He says he'd fuck her again, but she can't make him cum like I can. The man knows what's good for him!

ROXANNA

PHOTOGRAPHY: HICKS PHOTO

Looking good, Roxanna.

"Thanks. These are what an English boyfriend of mine used to call 'pulling pants'. Basically, when I'm wearing these, I'm on the prowl!"

And what's your prey?

"Oh, definitely the male of the species. I need something hard up inside me and I want that taste of cum as well. I've not had any cock for a week or two – hence the pulling pants. I mean business!"

Stick It In!

We love hearing about all your filthy fumblings and sexual shenanigans, so if you've been out pulling birds, up to your nuts in the woman next door, or even just shagging your own missus, make sure to write in and tell us. There's £50 per letter in it for you, so get writing…

THREESOME TIMES TWO!

My dream has always been to have a threesome – not only with a couple, but also with two guys so I'd have the opportunity to experience every possible pleasure. I am now proud to say that I've managed both and want to see if I can influence some curious readers to try it!

The first time was set up between myself and this couple I'd known for quite a while. I had a really intimate chat with them about their sex life one evening when he admitted that he would love to see his wife with another woman but had always been too shy to ask. Ann then told us how she had always been intrigued by intimacy between women. So, after a long conversation, we agreed to do it the next weekend. It was pretty strange as it was so calculatedly planned.

However, things never seem to go to plan and when I arrived at their house Ann explained that her brother Bruce was over from Spain for the weekend and was staying at their house. We knew it would alter our evening, but I desperately hoped it wouldn't ruin our sordid plans. We went out clubbing, and I got on so well with Bruce that I ended up getting off with him. I felt a bit strange kissing Ann's brother when I was about to go back to her house and kiss her cunt, but he was gorgeous and we sneaked off into the toilets where I managed to give him a blowjob. I wouldn't let him fuck me as I wanted to save myself, but I let him slip his hand into my jeans and finger me. My knickers were sticking to my pussy as we walked back to meet the others.

Ann didn't suspect a thing. She was flirting with me, making my pussy even wetter than it already was. I wanted to kiss her but I knew I had to wait. If I did do something with her, what would her poor unsuspecting brother think! Bruce invited some of his friends back to Ann's house, and the seven of us rolled in at four in the morning. We all sat around drinking coffee and I was longing to get rude with Ann and her husband. When everyone finally left, Ann and her husband went off to bed and Bruce and I had to sleep in the lounge. He was too drunk to do anything so after a drunken grope of my tits he fell asleep.

I took the opportunity to creep upstairs and into their bedroom. I walked in to see Ben moving up and down on top of Ann as he fucked her. I slipped my dress off and sat behind Ben. I started scratching his back, which made him penetrate her more deeply as his body reacted to my touch. I licked my way down his back until I reached his bottom then I pulled his cheeks open so that my tongue could work his anus.

Without saying a word I eased a finger inside him as he carried on fucking her. His muscles tightened around my finger as I touched his G-spot. He couldn't hope to hold back and shot inside her. He rolled off her and I got on top.

Within seconds Ben was touching me, and I wondered which would go inside me first – his tongue, finger or prick? But Ann was caressing my thighs and rubbing her fingers around my clit before Ben had a chance. It seemed as though she was afraid that if she pushed her finger too far it might hurt. "Just touch me like you touch yourself," I whispered. This seemed to work as she pushed three fingers into me. I came over both their faces and took great delight in making her suck Ben's juices out of my pussy.

I came hardest when Ann was sitting on my face with Ben on his knees fucking me. She was facing him and they were kissing each other as they fucked my body. When we'd finished I got dressed and snuck back downstairs, cringing each time a floorboard creaked as I really didn't want Bruce to wake up and figure out what had happened.

That was my boy/girl fantasy fulfilled, so now I had to try boy/boy. I managed to find two beautiful Spanish guys one night when I was out at an exclusive bar in London.

I'd never been to a place so full of sexually charged people so it really wasn't difficult finding two gorgeous men to fuck. I should also mention that before I went out I slipped two love balls into my pussy so that I would have a chance to cum even if I didn't meet any guys! There was a real party atmosphere as everyone drank and danced.

As I danced with the two guys I kept sliding between them and simulating some really rude sexual positions. I nearly came with the balls deep inside my cunt, rubbing me every time I moved. I put my arms around them and asked if they'd like to help me live out a fantasy. I was wearing a sexy lilac dress that had long splits at the side, revealing the tops of my stockings to anyone who looked closely enough. My outfit matched my mood. I took them back to my flat and got straight onto my bed, instructing them to pull off my panties and see what they could find. Together they pulled down my underwear and saw the string hanging between my shaven pussy lips. The other guy sat next to my face and thrust his stiff cock into my mouth. The sexual tension was so strong as he popped the balls out of my pussy and replaced them with his cock. That was my favourite position – one cock in my mouth, another in my cunt, and believe me, we tested every position over the eight hours we spent together.

I thought that trying these fantasies would be enough to get them out of my system, but now I don't trust myself to be well behaved with willing groups of girls or guys!

EX EXPRESS!

When my best mate told me that she'd finished her fling with Robbie, I put on a bit of lippy and went straight round… to his. At first she had been thrilled to have a bit on the side – a gorgeous guy who was happy to service her with no strings attached. But it had quickly gone wrong when he'd become obsessed with sticking it in her arse. "How come I get all the perverts?" she moaned to me over the phone. An equally valid question was: why didn't I get any?

"Let me get this straight," Robbie said, his brow furrowed as he leant against his kitchen worktop. "You want me to go back with Dani… but you want me to fuck you as well? I thought you guys were close friends?"

ANNA

PHOTOGRAPHY: APD NUDES

We're not sure Anna is going to pass muster as a real redhead,but she reckons that's all for the good.

"People are nasty to the ginger-haired," she says. "Except if you're a famous girl like the big-titted one out of *Mad Men*. So I've gone for a darker red to highlight my dark side."

Is that dark as in 'likes horror films a bit' or dark as in 'makes backpackers disappear and wears their skin'?

"I've never been asked that by a magazine before," giggles Anna. "I normally get asked if I like to give blowjobs and take it in the bum."

You've just spoiled our next two questions...

If there's one job we'd love to volunteer for, it's Jo Guest's personal pussy shaver. Annoyingly, she insists on doing it herself as it turns her on, and she has a wank every single time she does it. Which just makes us want the job more. Hell, we'd even dust away the sweepings and rinse the plughole...

CAPRICE

PHOTOGRAPHY: SCOTT WARD

WorldM

We're not going to be all sophisticated about this: We just want to do sex with Caprice. Full sex, with blowjobs and the lot, ending with us ejaculating into or onto her. There, we needed to say that.

"Okay, let's go!" says Caprice, well and truly calling our bluff. "But you need to keep it up for a good while, and I hope you don't mind a cameraman and a sound guy."

Er...

"And I'll want to use it on my website, which has a few thousand members. And you can't hide your face. So if you're cool with all that, let's do it."

Shit. We suppose a quick handjob is out of the question?

Daisy Marie

PHOTOGRAPHY: SAGE STLYE

Mexican-American fox Daisy Marie has just celebrated her tenth year as a porn star, and how better to celebrate than with a big fuck-off pool party at her Californian villa.

"It was wild," she confesses. "I invited lots of my co-stars and people I loved to work with over the years. You won't be surprised to learn that it got a bit out of hand."

How out of hand?

"Well, it was basically a big orgy by the end. I can't count how many people I sucked and fucked, but it was more than ten."

And our invite?

"Oh, didn't you get it? Maybe check your spam folder. Okay, gotta go..."

GEMMA

PHOTOGRAPHY: STEVE DUTTON

Gemma Massey makes her living these days in pictures that move – films we think they call them. A bit of lesbian, a bit of boy/girl. Yet we can't help but think she was better when she was a fresh-faced glamour model. Often we wish cock-shy glamour girls would get rude on camera, but on this occasion, we wish she'd stayed the butter-wouldn't melt type she so clearly is here. Yes, that's right, we want our cake and we want to eat it...

Terri Summers' Teasers (Your Choice)

Terri Summers – retired glamour model, porn star and one of the nicest women in the business – dips her toe in the directorial pond with *Teasers*, a collaboration between Your Choice and her own Shw!ng studio. It's a refreshing change of pace – natural light, natural girls, largely in solo masturbation scenes, but some lesbian action as well. Czech, Dutch and British girls share screen time, Michelle Moist and Vicki Peach flying the flag for the UK. It's not intense, it's not groundbreaking, but it's a promising start.

Sex Parade: The Voyeur (Harmony)

Syren Sexton getting boffed in a retro swimming cap? A girl with a whip and a Nazi hat? A bloke wearing with a rubber mask with a dildo attached? Yes, it looks like we're lost in Harmony country. Sofia Valentine, a girl who takes her job so seriously she has 'Porn Star' tattooed on her arm, is always fun to watch despite her weird boobs. Syren gets a shower room stuffing while elsewhere we get high-concept lesbian fetishism and lots and lots of bumming. Syren aside, the cast is distinctly C-list, but they get by on hi-octane fucking.

Anything that makes tedious outdoor pursuits more tolerable is fine by us.

Jesse Jane: Asking Price (Digital Playground)

Jesse Jane remains the archetypal US porn star – blonde, big of boob and hard of body. The fact she's only 3 inches tall doesn't seem to affect the way she burns up the screen. Here she plays a real estate/escort service madam who puts in some fine work herself, getting dicked and looking foxy while doing so in two scenes. Her 'realtors' are Breanne Benson, April O' Neil and Gracie Glam, the latter a real stunner who redefines how sexy you can look sucking a cock and wearing a hat at the same time. Whatever line of business Jesse is in, we're buying.

YOU COCK-ROACHES!

Emma Edwards joins Zero Tolerance on the set of their parody of coke 'n' crime classic Scarface. The studs all make her say hello to their little friends…

The year is 1980 and Fidel Castro has just opened a harbor allowing Cuban citizens to relocate to the United States. Upon their arrival, the United States government quickly realized that the boats were filled with sexual deviants and erotic exhibitionists, seeking sexual asylum from the land of milk 'n honey. Amongst this disturbed fleet of raunchy refugees are Anthony Rosano, Johnny Rocket, and many more crooked skirt chasers, now roaming the bustling streets of Miami, Florida.

Hungry for the opportunity of a better, more sexually fulfilled lifestyle, Anthony Rosano, playing the coveted role of Tony Montana, has aligned himself with a premier lube dealer in Florida. Eager to secure the American dream and take charge in this tempting new playground, Anthony Rosano goes rogue, building his own multi-million dollar empire. Eventually rising to the top as a premiere distributor of the purest sexual lubrication, the world, for a brief moment of time, belongs to him!

This is the storyline developed in director Gary Orona's sizzling blockbuster for Zero Tolerance, the *Official Scarface Parody*. Loosely based on the original Hollywood production, Orona maintains the original aspects we adore about Scarface, including the first-rate acting, character relationships, and the scandalous lifestyle of a sexual mobster. Taking the executive liberty of combining a comedic touch to his gripping adaptation, Orona expertly adds his own artistic twist that lends itself well to this epic cult classic. With that said, it's time to delve into the trenches of Miami's sexual underworld, one foot at a time. Hawaiian shirt, check! Polyester pantsuit, check! Official bottle of Jack-Aide opened and ready to squirt, check! Here we go.

Beginning in the U.S. Immigration office, Anthony Rosano is being interrogated about his sexual habits by a team of government officials. "Have you ever had anal sex, rough sex, sex with multiple partners?" they spew, treating him like garbage. Cool, calm, and collected in his seat, Anthony smirks, never divulging too much. "There's nothing you can do to me that Castro hasn't already done," he snaps back, revealing a jagged scar on the left side of his eye. "You get that from eating pussy," the official jokes, later releasing Anthony into the public.

Now cruising the streets of Miami with his best friend Johnny Rocket in tow, the two men become intoxicated by the bodacious babes in bikinis, the scintillating sounds of Samba music, and the aromatic sweetness of fried plantains. Eager to deliver a suitcase full of expensive lube to a new dealer, and earn extra cash, Anthony and Johnny are exciting about this budding career opportunity.

"The world is going to be ours. I can feel it," Anthony contends, entering the South Beach hotel, where Emmanuelle London and Johnny Slim are waiting. Demonstrating that the contents of the briefcase are "100% pure", Johnny Slim

encourages Emmanuelle to give the men a private demonstration of Jack-Aide, his premier lube. Spreading her legs across the white sheets, Emmanuelle tugs on the camel-toe display of her denim shorts, allowing her balloon shaped boobs to bounce on her chest. Squirting the lube down her dangerous curves, Johnny purrs, “With this product, she’ll always be wet. All the time!”

Now sprawled out and naked, Emmanuelle scrunches her nails in the cotton sheets as Johnny continues squirts her body down with oil. Paying extra attention to her smooth, pink pussy, Johnny quickly replaces his fingers with his tongue. Working his mouth around her muff, Emmanuelle locks her red heels behind his back, grinding her hips against his chin, as if swaying her body to salsa music. “Aye Papi!” she sighs, really getting into his oral play, causing his chin to glisten with scads of her sweet Cuban cooze.

Gaining dominance over the situation, Emmanuelle jumps atop his lap in cowgirl position. With the stems of her stilettos carving tiny holes into the sheets, Emmanuelle fucks Johnny with seductive force, rolling her slender body in an S formation. Causing his balls visibly to tighten underneath their crotches, Johnny encourages her to slow her roll, in the fear of popping too soon. “Slow down mamacita,” he contends, securing her sharp nipples into his open mouth, as he continues pouncing her from underneath.

Rolling her over into spoon position, Orona gets right into the action, perfectly capturing her pussy pull open with the onslaught of

Johnny's cock. Wrapping his hands around her body, Johnny squeezes her tits and really lays into her, later splashing his jizz across her tits as his finale. It's a fine introduction, indeed!

Seeing the power of Jack-Aide firsthand, Anthony is hooked on the wet stuff. Taking matters into his own hands, Anthony goes behind his former boss's back and takes over his lubrication empire. With more money that he knows what to do with, Anthony goes to visit his estranged mother and sister, played by Tabitha Stevens and Melanie Rios. Spitting on the ground he walks on, Anthony's mother wants nothing to do with him. On the contrary, Melanie Rios is anxious to rekindle the relationship with her brother and is much more receptive to her brother's love. In the midst of being chased out of their modest house, Anthony accidentally drops a bottle of Jack-Aide on the floor. Picking it up, Tabitha Stevens is quite intrigued by the contents of the bottle.

Now juiced up on the ultra silky lube, Tabitha Stevens finds Johnny Rocket, Anthony's partner and best friend. Seducing him into hardcore action, Tabitha leads him to a white bedroom. Dousing her bolt-on tits with Jack-Aide, Tabitha allows her floral dress to fall around her feet. Fully exposed, she kneels before him and starts chugging on his soda-can cock. Wrapping her experienced lips around his meat, Tabitha's jaw practically

has to come unhinged in order to fit his fat boy down her throat.

"This stuff makes me so horny," she moans in a comical Spanish accent, eventually coming up for air. Already having gone this far, Johnny arranges Tabitha on all fours, dousing her MILF holes with lube. Once dripping wet with both natural and synthetic juices, Johnny sails his rocket into her beaver, in a well-positioned doggie spread that leaves her eyes scrunched and her skin chilled. After riding him to pop in cowgirl position, Johnny sprays his bullets across his own stomach, as naughty Tabitha cleans it up with her tongue!

Now on top of the world, Anthony goes in search of Lexi Swallow, the illustrious girlfriend of his former boss. Claiming her as his own, Anthony rushes Lexi's back against a white leather sofa and tears into her freshly shaven snatch. With an outstretched tongue, Anthony does a fine job of polishing Lexi from the inside out. "You do that so fucking good," she whimpers, pulling on her nipple points, while maintaining steady eye contact with her new leading man.

Wanting to give his audience an unobstructed view of her perfect frame, Orona asks Lexi to continue her play in reverse cowgirl. Staying in character throughout, Lexi leaps into action by riding his hard cock from tip to base. Reaching around to get ample handfuls of her dreamy cupcakes, Anthony holds Lexi in place, power fucking her hole from underneath. "Take it!" he mouths, until her slender lips bubble over with spittle.

With lube bottles strewn about, Anthony flips this fish around in several more arrangements, getting the most mileage from between her thighs in missionary position. Once finished, Anthony sets Lexi up in front of his lap and spouts, "Say hello to my little friend," as cum bullets spray her from naval to nose!

Meanwhile, and despite having fucked Anthony's mother, Johnny Rocket falls hard for Melanie Rios, Anthony's younger sister. Pledging his undying love to her, Johnny spreads her open across their bed, sampling mouthfuls of her Cuban cunt. With pussy stringers that connect her crotch to his lips, Melanie is already wet and ready to play hardball a mere moments into her scene. "You taste like cotton candy," he compliments, diving his fingers between her legs, later sampling her syrup off the tips, as if they were lollypops.

Returning the favour, Melanie, donning a curly wig for the show, looks even more beautiful with his cock hanging out of her mouth. Delivering a tour de force blowjob, Melanie is clearly no stranger to pleasing poles, despite her teenage years. "I can take all of you," she teases, twisting her hands around his shaft and ingesting his cock, as if she were a snake swallowing her prey. "Fuck baby, what else can you do?" he questions, holding her face down until she gargles and sputters for air.

Mounting atop his huge body like a climber scaling the face of a mountain, Melanie's petite frame looks so small in comparison. Connecting his thick cock to her small pussy, Melanie yelps when he enters her in cowgirl position. After a few practice humps, Melanie gains an expert stride, riding him hard, while digging the heels of her tiny feet into the side of his flanks. "Ride that orgasm, baby!" he cheers on, excited when she cums across his lap in a steady stream that makes them all sappy. It's hot!

In the interim, and unbeknownst to them, Anthony has agreed to the demands of a hit man, in lieu of having his IRS issues cleared. Bursting into action, Anthony breaks down the door and...

You're going to have to secure your own personal copy of this hot, little number to see what happens next. With plenty more thrills, chills, and spills to come, we promise you a surprise ending that is good to the last drop!

"We are – she's my best friend. That's why I'm trying to make her happy." I could see that Robbie really didn't understand my proposal. I tried a simplified explanation. "If I let you arse-fuck me, will you start shagging Danielle again?"

"Is this some kind of trick?"

I kicked-off my heels and walked over to him. "Just promise me that you'll fuck Dani again." I undid his belt and fished out his cock. It quickly came to attention and it was just as impressive as Dani had claimed. No wonder she was upset – this was an exciting piece of equipment for a girl to lose access to. I dropped to my knees and gave his cock a little suck. At his first gasp, I pulled back and looked-up. "Promise me."

"OK, OK – I promise, just don't stop." I gave a little smile and slipped my mouth back over his cock and played my tongue along the sensitive underside. Robbie groaned and his hands started to stroke my hair.

I didn't stop… and he didn't stop me. I liked that he didn't tell me when he was going to cum. I knew it was going to happen as his body tensed. But it was naughty that he didn't tell me; he didn't give me the option of whether to take his load or not. He just went quiet,

concentrating on the sensations in his cock. With a groan, his hips jabbed forward and he unleashed a torrent of juice into my mouth. It was a dirty thrill to be following in Dani's footsteps – but I did something that she never would: I sucked and then swallowed.

"You're serious – about this arse-fucking thing?" I didn't say anything but the fact that I was letting him pull my strappy top down to expose my cleavage and bra was enough of an answer. Seconds later, my bra was on the floor and his hands were squeezing my tits. "Perhaps we can… seal the deal?" I looked down and was surprised to see Robbie's cock erect again. It was still wet and glistening with saliva from my blowjob. I smiled, shrugged and let him lead me to his bedroom.

Dani had told me what happened to her in here. The difference was I was looking forward to it. Totally naked, I knelt down as Robbie squatted behind me. He really did like bums. His hands explored my curves and he licked and kissed all over, even down between my buttocks and down onto my anus – which is something no-one has ever done to me before. Then he opened a drawer, selected a bottle of lubrication and lovingly worked it around and into my arse.

It was dreamy. How could any girl complain about a guy who expressed his desire so openly? Admittedly, the fact that he totally ignored my pussy was odd, even though I'd been told to expect it.

It was a long and luxurious experience as he massaged my bum, inside and out. Even the moment of penetration was expertly blended in to the routine. His hands ran up over my buttocks towards my hips, stretching my skin. There was a slight pressure and then it was inside me. No pain, no fuss; just a nice big cock surging into my arse. Robbie continued his massage as he fucked me… and I joined-in by sliding my hands down between my legs. My neglected pussy sang-out in response to the feel of my fingers and suddenly I was having a nice relaxing wank – with the dirty addition of being gently buggered.

My empty pussy was slippery, both with my own juices and the lube running down from my arse. I was surprised by how easy this had been. I'd marched into this house and got this semi-stranger to lovingly poke me in the bum.

I wondered whether Dani would appreciate what I was doing for her. I let out a giggle at the thought but managed to disguise it as another groan of encouragement. It was an unspoken code – each groan led to Robbie notching-up the pace with which he was fucking my arse. I had soon given my permission for him to really pound my tightest hole, the slap of his balls on me a massive turn-on… but there was something missing.

With a bit of inspired improvisation, I grabbed the bottle of lubrication and forced the blunt end into my pussy. It was really fat – my pussy complained as I pushed it in and started fucking myself with it. I alternated with Robbie's strokes so that I felt like my groin was being sawn in half.

As my pussy stretched, the sensations became a perfect blend of straining satisfaction. With the added spice that I was fucking myself with a bottle, I was finally able to bring myself off. I tugged a pillow under my chest, allowing me to use both hands – one to pull and push on the bottle, one to play with my clit. The orgasmic explosion that followed was brutal and turned my body into a writhing, shuddering ball of ecstasy. Robbie came as well, spraying what felt like gallons of scalding jizz inside my bum and then slipping out to add to the frothy mess of my crotch.

Robbie stroked my hair whilst I lay on his heaving chest. "Is it always like this with you?" he asked. I gave a little shrug. We lay in silence whilst he thought about things. "Do you mind if I leave calling Dani until tomorrow – I don't think I could cope if she wanted to come round now. And my cock definitely couldn't."

I handed him the phone. "Give her a call – I'm sure we'll be able to satisfy her… together."

"You mean a threesome?" He punched in the numbers. I just hoped Dani would understand.

Certain foods and drinks are now 'protected'. A Cornish pasty is only a Cornish pasty if it's made in Cornwall. Champagne has to be from Champagne. You get the picture. Well, someone should protect Marry's boobs, because they're perfect. Just take them in. One on each side, perfectly sized rosy nipples and, most importantly, precisely the right amount of squeezability. They're made for the hand, the mouth, and for a cock to squeeze between. So from now on perfect boobs should be called 'Marrys' or a 'pair of Marry's. Is that agreed? Yep? Cheers...
